

Open Your Heart May Project

BOOK DRIVE

The Open Your Heart project for May is a new or “gently used” **Book Drive** for the following organizations. Reading is ALWAYS a way to grow whether you are school age or older!!

We would like to collect the following:

- 1) Elementary level books for our Project Transformation kids here at FUMC to read here at the church or take home and keep up their reading skills over the summer.

Children who continue to read over the summer start the new school year at a higher level. So, let's share the wonderful gift of reading with children here in Enid!!

- 2) Garfield County Detention Center Library.

The Detention Center is very full right now, so the residents must spend a lot of time in their cells. Being able to read is a productive way to spend their time. Books must be paperback and the content should be appropriate. Suggested types of books include: Westerns, Devotional books, Mysteries, Biographies, History, Fiction.
