

## Join us on a journey throughout 2018

facing the challenges  
of our world  
with God by our side!!

FUMC is encouraging everyone to read through Brian McLaren's book, *We Make The Road By Walking*, throughout 2018. Each week there will be suggested scripture and a couple of pages of reading followed by questions and recommended ways to incorporate what you have read into your daily life. You may want to set aside a time each week with your family or a few friends to talk about the weekly reading, the scriptures for the week, and the reflection questions.

On occasion we will post a question or comment from that week's reading on our Facebook page.

Once a Quarter we will offer a time to come together and discuss what you have been reading and learning over those three months.

*Pick up or download your own copy of the book and  
join us throughout 2018!!*

**SCHEDULE FOR OCT—DEC ON BACK...**
