

**Open Your Heart
January Project:
EPS Clothes Closet
Needs**

Many of the Enid Public Schools keep a Clothes Closet where students can go when an accident happens during the day or they are in great need of certain clothing items due to problems at home. Certain items are of the greatest need and are always running out. By helping supply some of these very basic needs we are giving the students a much better chance to concentrate on their studies because they have the basic clothing needs.

Items most needed right now:
[all sizes are needed from children to youth sizes]

- **Socks and underwear**
- **Warm jackets or sweatshirts & sweat pants**

Walmart Gift certificates are also most helpful for teachers/counselors to use to buy specific needs
