PROJECT TRANSFORMATION

We are about to begin our THIRD YEAR of Project Transformation! Through this summer program for elementary children we have been able to help children who might fall behind in their learning stay on task to begin a new school year. There is time for reading, craft projects, physical activity, science, 2 meals a day, and special trips throughout the summer.

HERE ARE SOME OF THE ITEMS NEEDED:

- Individually wrapped snack foods
- Packaged cookies
- Breakfast food (cereal, pop tarts, breakfast bars)
- Paper plates/bowls
- Napkins and paper towels
- Plastic forks & spoons
- Disposable cups
- Colored markers & crayons (new or gently used)
- Construction paper
- Paints
- Glue sticks
- Bottles of glue
- Googly eyes, pompoms
- Toilet paper cardboard middles
- Books for reading—1st grade through 5th grade levels
[new or gently used]

YOU CAN ALSO HELP BY PROVIDING A SCHOLARSHIP FOR A CHILD (\$125) for the special trips during the summer and a new backpack at the end of the summer filled with school supplies.
