STRANGE STORIES

overlooked, head-scratching, absurd stories in the bible

If you've ever opened the Bible and thought wait, what? ... that can't be right, that's weird, that doesn't make sense. Join the club! Scripture is full of wonders and beautiful passages of grace and mercy and scripture is full of strange stories where prophets did the unthinkable, weird sacrifices were made between humanity and God, egoistical leaders were brought to justice in the strangest ways...and even in the strange stories we can find truth for us today. Join us this July as we take a look at a few overlooked, head-scratching, absurd stories in the Bible and find ourselves in the story.
