

Learning Tree Preschool - A GREAT PLACE TO HANG YOUR HAT!

BRIGHTWHEEL App

BRIGHTWHEEL is the app that we will use this year to check students in and out daily, as well as communicate with parents. We will also use the BRIGHTWHEEL to send monthly statements and pay tuition. Each parent will receive an invite to join BRIGHTWHEEL AND BRIGHTWHEEL billing. Please download the app and set up your accounts. Also, remember to turn your notifications on since this will be one of the primary way we send text, newsletters and communicate.

PHOTO CIRCLE

Photo circle is the safe and easy way that we share pictures of school with you! You can check the app daily for updated photos of your child having a blast at Learning Tree!

Download the photocircle app onto your smartphone then **ASK GINGER** or **YOUR TEACHER FOR THE CODE!**

EARLY CARE and AFTERCARE

EARLY CARE--\$3.00 each morning-- is available starting at 7:30 a.m. in the Butterfly Room. Please let us know if you need this service.
