

Jesus told stories that captivate and transform people. In some of his stories he referred to an upside down kingdom...a kingdom that looks different than any earthly kingdom...a kingdom that requires we see beyond what's in front of us and do the work to make his kingdom a reality. Imagine what the world looked like if everyone was so generous that they had to be told to stop giving. Imagine what the world looked like if we let go of what has a hold of us to take hold of the ultimate eternal treasure. We don't have to imagine it...we are called to live into it.

Join us starting Sunday, Sept 12 as we explore Jesus' Upside Down Kingdom and the implications for our lives as we live out Jesus' words "thy kingdom come on earth as it is in heaven."
